FAFSA July 1, 2016 – June 30, 2017

FREE APPLICATION for FEDERAL STUDENT AID

Use this form to apply free for federal and state student grants, work-study, and loans.
Or apply free online at www.fafsa.gov.

Applying by the Deadlines
For federal aid, submit your application as early as possible, but no earlier than January 1, 2016. We must receive your application no later than June 30, 2017. Your college must have your correct, complete information by your last day of enrollment in the 2016-2017 school year.
For state or college aid, the deadline may be as early as January 2016. See the table to the right for state deadlines. You may also need to complete additional forms. Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.
If you are filing close to one of these deadlines, we recommend you file online at www.fafsa.gov. This is the fastest and easiest way to apply for aid.

Using Your Tax Returns
We recommend that you complete and submit your FAFSA as soon as possible on or after January 1, 2016. If you file your parent's need to file a 2015 income tax return with the Internal Revenue Service (IRS), and have not done so yet, you can submit your FAFSA now using estimated tax information, and then you must gather that information after you file your return.
The easiest way to complete or correct your FAFSA with accurate tax information is by using the IRS Data Retrieval Tool through www.fafsa.gov in a browser. Parents, most students and parents who filed a 2015 tax return can retrieve their tax return information directly into their FAFSA.
Note: Both parents or both the student and spouse may need to report income information on the FAFSA if they did not file a joint tax return. If you have questions with assistance on the FAFSA if they did not file a joint tax return, call 1-800-4FED-AID (1-800-433-3374).

Filing Out the FAFSA
If you or your family experienced significant changes to your financial situation, such as loss of employment, completion of college or the student you are applying to attend. Consult with the financial aid officer at the college you are applying to plan to attend.
For help in filing out the FAFSA, go to www.studentaid.gov/completingafa or 1-800-433-3374. Text users for the hearing impaired may call 1-800-735-3271.

Answers on this form are used to determine your eligibility for aid. You must use the following information to complete your FAFSA:
• use black ink and fill in circles completely.
• print clearly in CAPITAL letters and digits.
• use brown pencils.
• report dollar amounts (such as \$12,356.41) like this: 12356.
Change is for student information and purple is for parent information.

FAFSA
¿Qué es?

FAFSA: Free Application For Student Aid

FAFSA son las siglas en inglés para el formulario de solicitud de ayudas económicas. Significa *Free Application For Student Aid*. La FAFSA se puede radicar en formato PDF:

o en forma electrónica accediendo a:

<http://www.fafsa.ed.gov>

Lo recomendable es que se radique de forma electrónica pues es el medio más rápido y fácil.

Para poder solicitar ayudas económicas el estudiante tiene que radicar la FAFSA, pues esta es la base para evaluar cualquier concesión de ayudas económicas.

Las ayudas económicas se otorgan por año académico, el cual comienza en julio 1 y culmina en junio 30.

A **partir del primero de enero** comienza el proceso de renovación y solicitud de ayudas económicas.
